B6

Dear Cheryl,

It was with enormous pride in my country that I read about the Secretary's address in Geneva regarding the advocacy by the United States for the rights of gay and lesbian people throughout the world. Living abroad, I well understand the risks many face and know we cannot take for granted the hard-won progress we enjoy at home.

Please pass my thanks to all of you in the administration, especially the Secretary, who made this historic policy announcement a reality.

Best,

Peter
