Yes I will. Btw, we will keep this for an American. Not a major risk.

Gayle/Brooke:

I spoke with Susan and Ertharin but was not able to reach you Gayle (you'll have messages) and did not reach out for you Brooke during your time away.

Then:

We are going to set up a process that includes folks on this traffic (or their representatives) and appropriate others to come to a recommendation for S and Potus.

We can then decide the timing of when we give our answer to the candidate – but we may want it to be closer to the end of her term given the potential outcome of a new candidate.

Wish me luck.

Best.
