Dear Cheryl,  
I know Bob had intended to reply to you on this, but he has just stepped into a meeting and asked me to follow up. We have been working hand in hand with Post on the Grameen matter for months. [Redacted]

[Redacted]

We're holding a brainstorming meeting later today at 3pm to think of further ways we can work on the Grameen issue. And we're sending out points for Amb Roemer to use in seeking the engagement of India, specifically Finance Minister Mukherjee (Bengali speaker), as well.

I'd be happy to answer any other questions at your convenience. And I look forward to meeting you at some point after hearing such wonderful things about you from my former boss, Mack McLarty!

Best,  
Alyssa Ayres

Dear Alyssa

I wanted to know the nature of our guidance the World Bank on this matter as it is one that S has been following closely as Bob Knows.

Can you advise as to what the Department's position was as referenced by Ian Solomon below?

Thank you so much.

Best.
