**Subject:** Egypt

People are taking a line from your press avail out of context about the stability of the government in Egypt and its efforts to address the needs of its people.

This – combined with the growing focus on the Egypt demonstrations storyline in domestic, international, and regional press – suggests the need for a statement tonight to provide an unvarnished message that has us ahead of the curve without being overly provocative to the Egyptian government.

We are proposing that this come from PJ:
