What about the shuttle? Are they also on time? I don't mind taking one this afternoon.

I just heard back from Mark -- due to crew rest issues today, they cannot move our departure time earlier and we have to keep with 6:00pm. We will monitor storms so you don't leave home too early if something is rolling through.

I have a bad feeling about weather so I'd rather leave earlier than 6. Thx.

I just heard back from the team -- they are monitoring the storms but do not foresee a problem right now. I said I would check in with them at 1:00pm and will report back.

I'm worried about the weather forecasts for thunderstorms. Can you pls check if I should leave earlier (or later?) to be safe?

They can basically do whatever you'd like -- should we say 6:00pm?

Bill can't get home until late tomorrow so is there any chance I could either leave later or take a later shuttle?
