B6

Hillary, Marjo asked me to get the following to you. [redacted]

[redacted]

[redacted] Strobe

As I noted when we saw each other at the football game, I wrote you a brief note of condolence but realized I was not sure where to send it. Strobe also suggested that email might be easier so I have rewritten my note here and am asking Strobe to forward it to you at the appropriate address. [redacted] I also heard that the service was lovely. [redacted]

Most Sincerely,

Marjo
