Subject: RE: Speech

Dan's sitting here with me, I'm answering for him.

Here's what the speech says now. We will add another sentence to explain the process more fully.

Subject: Re: Speech

We robustly articulate our programming approach in the speech, and why we don't put all our eggs in one basket with one tool that only is appropriate for one type of threat.

B5

I can write you a fuller memo on them if you're interested

Subject: Speech

One country we forgot is Cuba which is holding Alan Gross because he tried to help the small Jewish community get better internet access. There was a piece about Cuba's actions against the internet on NPR this am. Deserves a mention.
