Hi Jan - I'm sure we can figure out a photo with the Acumen east africa team. I assume Batool is in the US? Please send me info on who we can contact to set up. Not sure about timing since government meetings are still in flux so if you can hold off on telling them anything.

Thanks.

We just added Kenya only for government meetings but I'm copying Huma and Lona to see whether I could at least meet the fellows and have a photo w them.

Dear Hillary,

Not sure if Kenya is on your itinerary, but the Acumen East African Fellows program is incredible -- would love to tell you about it. Definitely worth meeting them if you will be there, because this is a very significant investment in building human capital, and networks that cross the economic, tribal, cultural and other divides that hobble inclusive development. It was a big gamble to organize this, but the first cohort has completed their year with amazing results.

I'm actually thinking of going on this trip -- taking over your travel shoes as you hang them up for awhile! Just wish I could have traveled with you while you've been at State, but look forward to times when your life is not so completely officially orchestrated!

Jan

Dear Jan,

I am writing to invite you to join a small group of Acumen Partners for a trip to Kenya and Uganda the week of January 13th, 2013. We will spend time with the Acumen East Africa team, visit up to five Acumen investees, and also have the chance to see the work of the amazing East Africa Fellows. In addition, for those interested there is an option to extend this trip with a safari through our partner Elevate Destinations.

All details on the trip can be found here, and we will take RSVPs on a first-come first-serve basis.

East Africa has been the fastest-growing region for Acumen over the past five years, with a portfolio that's grown to \$18.5 million in 13 companies across our sectors. We've seen particular growth in agriculture and renewable energy access, which will be the primary focus of this trip, and we are learning so much about how these issues directly impact the lives and well-being of our customers.

For any questions about the trip please reply to this note or contact Megan Beck at [redacted] or mbeck [redacted]

We hope you can join us!

Warm regards,

Batool Hassan  
Head of Business Development | Acumen Fund

p.s. In case you missed the date our annual Investor Gathering is on November 8th, 2012 in New York!
