We have finally negotiated an agreement with NDU, DOD and the Joint Chiefs for a book on Women, Peace and Security to be published by NDU (God bless Nancy McEldowney). It is all agreed to and we have the budget. If we can move this along, our hope is that you and Panetta will do the Foreward, and the contributors will be key leaders who have expertise on the various topics appropriate to the National Action Plan. It will be such an important achievement to get this done and have it officially adopted by NDU. I wanted you to know should someone raise it with you.
