Subject: RE: [redacted] and a big favor

B6

MS:

Lissa and I have connected, and will have a letter ready for you to sign by this afternoon or tomorrow morning the latest.

-Rob

Subject: Re: [redacted] and a big favor

Lissa--I'd rather send a glowing letter w a personal handwritten note [redacted] further since I'm never sure about being able to schedule personal phone calls. We can fax the letter to her personal fax and send hard copy.

I'm copying Rob Russo so you can work w him to draft and he can start finding the best way to get it to her.

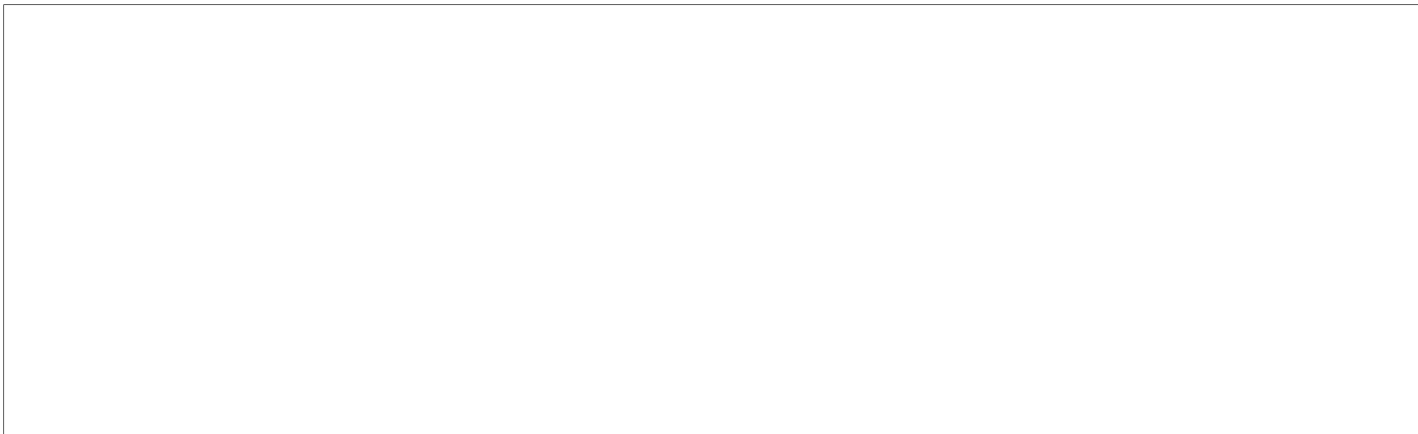

Does this work for you?
