[Redacted] His visa application confirmation and embassy entry token are attached. Sometimes this process goes well and sometimes there are delays for administrative processing

It would be great if he can get a 5 year in time to accompany Professor Yunus to Mexico. Please let me know if there anything more I can do on this and if there is someone in Dhaka I should be contacting on this so we do not need to take so much of your valuable time.

The request from Yunus and his staff follows below.

Sincerely,

Vidar

Dear Vidar:

I will be travelling to Mexico on September 6 to attend an event and one staff of Yunus Centre will be accompanying me.

Mexico doesn't have an embassy in Bangladesh and Bangladeshi national requires travelling to Delhi for Mexican visa.

However if he has a US visa he can get a Mexican visa on arrival. If he travels through USA he'll need a US visa.

My colleague who will accompany me is [Redacted] He needs to apply for US visa for this he needs an invitation letter and hotel details from your side. Tanbir will provide you necessary information.

Can you help him in any other way to receive the US visa?
