Subject: Former President Mbeki in transit to Johannesburg

Ms. Hanley,

We reached out to Former President Mbeki's staff, who informed us that he is currently flying in transit to Johannesburg and will land between 0800 EDT/ 1400 Johannesburg and 0900 EDT/1500 Johannesburg. The staffer who handles his scheduling is on the plane with him. We will continue to reach out to his staff when he lands.

Thank you,
