See Wendy's email below. The story;

Police in Wisconsin said seven people were killed at a Sikh temple near Milwaukee, including the suspected gunman.

Greenfield Police Chief Bradley Wentlandt said tactical officers have been through the temple, where shots were fired about 10:30 a.m. Sunday.

He said one of those killed outside is the suspect, who fired on the first officer to arrive. Mr. Wentlandt says that officer fired back, killing the suspect. He says the officer is now at a local hospital in surgery.
