Below FYI. Making my way home now. 3 bombings + Malala shot just while I was there. I could not be more pessimistic about Pakistan. I do not think S should go back b/c of security, alone.

I'll latch up with Lona re S's request for time.

Thanks, Alec. When you're back, let's catch up soon. I'm copying Lona to ask for some time together.

Madam Secretary:

Hello from Islamabad. I had a good sit-down with FM Khar who asked me to directly share her appreciation for your strong statement regarding Malala Yousafazi.

The clerics have a choice at Friday prayers --- do they speak out against the Taliban and violence against a 14 year-old girl, or do focus on producing another round of protests against the USA? Important choice.
