Madam Secretary,

I am sure Bill and Jake are filling you in but thought it important to summarize where I think we are before you talk with Cathy Ashton or, if you have already, what is state of play. I write from Delhi on my way to Patna in Bihar after breakfast with amb. Burleigh and Dr. Kim who is here today for meetings.

I can be reached through ops if you wish to discuss further. Very much appreciate your talking with Cathy to try to move forward.

Best,
Wendy
