Thank you. He is making edits now and will have new copies for you on the plane. I left your originals on the bench with Marina.

Philippe, Caroline and I will follow you to the airport in the spare so let me know if you need anything.

It would be helpful for him to have earlier because of the teleprompter. I can pick up quickly on my way to the office if that's still ok with you.

If Josh can do on plane, that's fine but if he needs to do earlier you can come by and fax.
