Subject: Things to get done before Jan 25

Here is my running list. I just thought of #3.

1. DPRK resolution (Yang call)
2. Doha office progress (HBJ call; Karzai visit; other calls; possible)
3. Announce recognition of Somali government (could do event in DC where we bring Somali PM or president)
4. Restart process on landmines
5. Start process on DFI (CDM, what's required?)
6. CDM, others on your list?
