 Re: Hollande contacts

My friend Charles Kupchan quickly provided some contact information. Charlie was director of European affairs at the NSC and on DOS Policy Planning during the first Clinton administration, and is currently professor at the Georgetown School of Foreign Service and senior fellow at CFR. If you need more contacts, I can get them from friends in Paris.

Dear Sid:

Patrick Weil is a long-time adviser to the Socialists and knows Hollande well. He is a close personal friend of mine. He would handle discretely any contact. His email is [redacted]

Denis Delbourg has a more formal link to the campaign. He reached out to me a few months ago to host Hollande at the CFR during a pre-election trip to Washington. Ultimately Hollande decided that he did not have time to make a trip to the US. I do not know Delbourg personally, but have spoken with him on the phone and communicated via email. His email is [redacted]

A more prominent adviser to Hollande is Pierre Moscovici. He is a well-known Socialist politician, and is likely be in a Hollande cabinet, perhaps as foreign

minister. I know him personally. I am tracking down his email, and hope to send it along shortly.

Best

Charlie
