Here is a draft:

When I first met Capricia in 1992, I knew right away she would be a woman to watch. I have seen her grow over the last 20 years as a thoughtful advisor, selfless leader, my unofficial stylist and a dear friend. She constantly delivers under pressure – always with dignity, respect for others, uncommon humor, grace and humility.

Capricia: from the White House, to the campaign, to your legacy as Chief of Protocol, you have been a true trailblazer.

Congratulations on this special award.
