Subject: S-Mikati mtg: urgent request

In case there's not a prestige with S:

The Lebanese Perm Rep called just now to ask that S request a brief 1 on 1 with Mikati at the end of the bilat. [redacted]

[redacted] We do not know what he wants to raise in the 1 on 1. [redacted]

[redacted] The BCL does not/not suggest that she do so, but just as a reminder of his sensitivities from last year. Beth
