I left the schedule and call sheets on your bench.

- sending you a revised call sheet for FM Al-Saud. The Saudis have agreed to support us in HRC but folks agree that it would be good for you to re-affirm the support.
- Indonesian FM cannot speak at 11:00am today. We can offer 9:30am or 10am on Sunday morning, while you are with Isabelle, or during your flight to Perth.

Rest of the schedule below:

10:00 am PHONE CALL w/SAUDI FOREIGN MINISTER AL-SAUD
Private Residence

Note: Ops to connect the call to the residence.

10:30 am PHONE CALL w/ FRED SMITH Private Residence

Note: YOU Call him at anytime between 10:30am and 11:30am
