First, unanimous approval of the glasses. Jackie says, always wear the glasses. Looks terrific.

Second, cretins and reptiles. Are they being paid by our side to speak those lines and play those roles? I guess a gender gap in 2012 of 18 points just wasn't big enough for them. Graduates of the internet based Lazio School of Political Communication?

Of course, love indispensable nation. Wish I had a dollar every time it's used.
