Dear Cheryl,

It is for me a great honor to be on this team. I want to thank all of you for the dedication that has made this project a success. I would like to thank you, personally, Cheryl, for all your support to the project.

Please, extend my thanks to the Secretary of State for having mentioned me. I suspect some members of this team to have suggested it and I'm grateful to them also.

We still have a lot of challenges ahead. Let's keep up the good work!

Best,

Michael

Dear Conference Call Crew

As the dust settles from yesterday, I just wanted to say want an honor it is to work with each of you. I truly believe that yesterday, and more importantly, getting to yesterday, took a village and no child/project could have better steward than this group.

Thank you for what you did to make it happen and what you keep doing each day to continue the progress.
