Look forward to seeing you--and copying Lona to follow up. Had the best time in Chi-town last weekend---other than the Cubs' inevitable loss to the Sox.

What does your father do for a living?

He is a magician. He cuts people in two.

Do you have any brothers or sisters?

Yes, one half-brother and one half-sister....

Adam and Eve were naming animals. Adam saw a big creature with a horn on its face and said, "What shall we call this one?"

"Why don't we call it a rhinoceros"?

"But, why?"

"Because it looks more like a rhinoceros than anything we've seen so far."

They found a big hole in the wall around the nudist camp. The police are looking into it.

So the priest wanted to get away from his priesthood for an afternoon and he went to a nudist camp and a beautiful young woman walked up and said, "Hi Father." He said, "How did you know it was me?" She said, "I'm Sister Catherine, remember?"

Please, help me. I haven't eaten anything for days.
God, I wish I had your willpower.

Pablo Picasso surprised a burglar at work in his studio. The burglar got away, but Picasso told the police he could do a rough sketch of what he looked like. On the basis of his drawing, the police arrested a mother superior, a washing machine, and the Eiffel tower.

The man and wife walked out of divorce court in Mississippi and the man said, "Stop crying. So we got a divorce-----You're still my cousin!" (this should be "Arkansas"... hahahaha)

So there was the robber who broke into the public radio station and stole a hundred thousand dollars worth of pledges.

A Baptist preacher and a priest sat next to each other on a plane. When the flight attendant asked what they'd like to drink, the priest said he'd like a glass of wine. The preacher asked for a soft drink saying Christians should avoid alcohol. The priest said, "Jesus drank wine." The Baptist said, "I know and I would have thought a lot more of Him if he hadn't."

Doctor, do you realize you have a suppository behind your ear!
I know, and somebody's got my pen and I'm not sure I want it back.

A mother took her little boy to church. While in church the little boy said, "Mommy, I have to pee." The mother said to the little boy, "It's not appropriate to say the word 'pee' in church. So, from now on whenever you have to 'pee' just tell me that you have to 'whisper.'"

The following Sunday, the little boy went to church with his father and during the service said to his father, "Daddy, I have to whisper." The father looked at him and said, "Okay, whisper in my ear."

A little old man shuffled slowly into an ice cream parlor and pulled himself slowly, painfully, up onto a stool. After catching his breath, he ordered a banana split.

The waitress asked, 'Crushed nuts?'
'No, arthritis.'

What did God say after creating man? --- He said, I can do better than this.

How many optimists does it take to change a light bulb?
Who says it's dark?

How many New Yorkers does it take to screw in a light bulb? 50.
50?!!!!
Yeah, 50! Read the contract.

How many agnostics does it take to change a light bulb?
We can't know.

An Agnostic and an Atheist were married and had a real problem.
They couldn't decide which religion not to raise their children in.

A young lady came home from a date, rather sad. She told her mother, "Jeff proposed to me an hour ago."
"Then why are you so sad?" her mother asked.
"Because he also told me he was an atheist. Mom, he doesn't even believe there's a hell."
Her mother said, "Marry him anyway. Between the two of us, we'll show him how wrong he is."

Cross country skiing is easier if you live in a small country.

What do mountains talk about?
A range of topics.
