Cheryl and Bill,
See list below that Roberta circulated in late April. Let me know if ideas ok with you or if you have a clear preference.
Thanks.

Understand sensitivity -- while we sort that out with WH, let's send Charge now. Wendy reminded me that Roberta has suggested several good names. [Redacted]

I have been trying delicately to change that with obvious understanding for the political sensitivity.

Cheryl and Bill,
In my weekly meeting with Roberta, we both realized that we did not know where things are regarding a Charges or COM for El Salvador. Have any final decisions been taken? I assume even if COM is not yet resolved that we want to send a charges. Appreciate any update. Thanks.
