Dear All

Please see the photo below of a street in NLR recently renamed by Mayor Pat Hays. Dorothy Rodham Way intersects with Virginia Kelley Drive. Mayor Hays has been working on this for a while and plans in the spring to install a bench as well as some plantings, etc. He is very excited about this and asked me to please let HRC, WJC, and CVC know ASAP. Also a Dem Gaz photog took some photos this afternoon as the sign was installed this morning. Mayor Hays also asked to please pass along his best wishes to HRC for a speedy recovery. Please also tell her that all of her friends and Foundation staff in LR are keeping her in our thoughts and prayers. I'll send a few more photos in a separate email.
