Subject: Re:

B6

Would love to host you here for a dinner with top business folks. Please consider when you are up to it after a little decompression.

We just finished family dinner. The kids were reviewing my role as a father.

Who would have thunk it?

Sorry we didn't meet up during the inaugural fun, but hope to see you soon after I leave State.

All the best to the Emanuel tribe--H

Zach and I are watching the interview on 60 minutes. We both think you are doing great.
